SAFETY & HEALTH POLICY

Samurai 2K Aerosol Sdn. Bhd. is responsible in providing and maintaining a safety and conducive environment for all employees in line with the applicable legislations and regulations.

To achieve this goal, Samurai 2K Aerosol shall :-

1. Provide a safety and healthy management system that meet national and international standards.
2. Make available an action plan for activities to be carried out in safe and conducive manner.
3. Foster a work culture that emphasizes safety through continuous training and education.
4. Provide information and communication access to all employees.

The effectiveness of this policy may be achieved with involvement of all level of management and support from all employees.

APPLICATION OF THIS POLICY

We seek the cooperation of all employees, customers and other individuals. We encourage suggestions for implementing safety and health objectives, ultimately to create a safe work environment with zero accident rate. This Policy is applicable to business operation and function inclusive situations where employees are required to work off-site.
